

Join the South Bend Regional Chamber and the Greater Niles Chamber as we partner with area businesses to shine a **virtual** spotlight on building trades training and career opportunities. We are hosting six live 30-minute webinars April 20 – 23 to explore high-demand building trades careers in the region! Construction trades professionals will be joining us to discuss their careers, skills needed, a day in life, and more. For more information and session links please email Alyson Herzig at AHerzig@sbrchamber.com.
