DISCOVER YOUR PATHWAY

The art and craft of building with brick is one of the oldest skilled trades dating back 6000 years. Masonry construction helped build some of the world's most notable structures, including the Egyptian Pyramids, the Roman Colosseum, the Taj Mahal, and the Great Wall of China. Our community and world are looking for bright, energetic, motivated people to continue this tradition. If you enjoy working outdoors, with your hands, and want to build our future, masonry just might be your ticket to a long, fulfilling and prosperous career.
